Action items from the September meeting

- ✓ How will parking utilization be impacted when many of the waterfront piers close on Oct. 1? (*WSDOT and SDOT will maintain the parking mitigation program and will continue to provide updated parking statistics on the [Parking Stakeholder Group Web page](#). WSDOT has also scheduled separate follow-up meetings with the Seattle Mariners to discuss this in more detail.*)
- ✓ Is it possible to get traffic data about state highways in Seattle? (*WSDOT collects average traffic volumes for state highways. This data can be found in the annual [Ramp and Roadway Report](#). Additionally, WSDOT published an [Annual Traffic Report](#) that covers average volumes at specific points on all state highways.*)
