Approval of December 2013 meeting notes

Motion was passed to approve the minutes from the December 2013 meeting.

Meeting with Lynn Petersen/Amy Scarton

Brian reported the importance of our role with the state and the willingness to take on a larger role; Executives will be meeting once a year to discuss policy issues and make sure everyone is heading in the same direction. Brian looks forward to the future with involvement in the local and regional level. The goal is to convey to the Council Members that Lynn and Amy's commitment to Public Transportation and Multimodal planning.

DSHS Emergency Planning Program

Sue Bush, DSHS and Leslie Konig presented a new emergency planning tool called XENA. It catalogues all DSHS facilities, their usage and their populations. The intention of having this information is to better coordinate human services transportation planning in cases of emergency.

ACCT Work Plan

This is an ongoing item where subgroups can report back to the Council on their progress on work plan items.

- Cost Sharing (Don) Find ways to combine ideas. Important to explore other options.
- Veterans Transportation (Steven Gill) Have not heard back regarding grants. Will continue to look for ways to support the Veterans transportation system.
- Human Services Transportation Plans (Madelyn) Tribal transit. Good news, Tribes feel that they are being heard and feel that we are reaching out to support the tribes.
- Emergency Management (TBD) Discussion
- Mobility Management (Colleen)

PSRC Coordinated Plan

Gil Cerese talked about the General assembly scheduled to adopt the T2040-Plan -May 2014.
