

Advance Schedule of Projects

This is a list of contracts tentatively planned for advertisement by the Washington State Department of Transportation for February 9, 2009 through July 31, 2009. Some of these projects may have already been advertised for bids. Estimate ranges, actual advertisement dates, and scope of work are tentative and may vary from the information shown on this list. For the most current information, please see the [Contract Ad and Award web site](#). **Funds may not be available to support all projects on the schedule shown.**

Only one state route and its milepost limits are displayed per project. Some of the projects, such as region-wide chip seals, bridge painters, seismic retrofits, electrical updates, and guardrail updates, often involve work at several different locations on various state routes within that region.
