

SR 520 Bridge Replacement and HOV Program

I-5 to Medina: Bridge Replacement and HOV Project

Evergreen Point Floating Bridge & Landings Project

RFQ Questions and Answers # 2
September 28, 2010

Q #	Date Received	RFQ Reference	Question	Answer	Addendum (Y/N)
1	09/23/10	5.3	In keeping with past proposals submitted to WSDOT, it remains our understanding that both narrative text and graphical/illustrative information can be placed on an 11 x 17 sheet so long as the narrative text does not consume more than ½ of the available space. For instance, we might place an org chart on ½ of an 11 x 17 and text on the adjacent ½. This page would then be counted as one sheet. Please confirm. If our understanding is incorrect, please clarify.	It will be counted as one (1) sheet.	N
