**SUBJECT: Seattle Multimodal Terminal at Colman Dock Project
Notice of Final Selection**

I am pleased to announce that the following firm received the highest total score in the selection process and has been selected to negotiate preconstruction services for the Seattle Multimodal Terminal at Colman Dock Project:

At the option of WSF, and assuming construction funding has been appropriated, Hoffman-Pacific LLC and WSF may negotiate a Maximum Allowable Construction Cost (MACC) at the conclusion of preconstruction, which may result in the award of a construction contract.
