

General Information

Welcome aboard Washington State Ferries. To ensure your trip is a safe and enjoyable one, please take a moment to read the following guidelines.

Understanding Our Schedule
Times in **color** are for morning (a.m.) departures and in black for afternoon/evening departures. Noon is noted as **12:00 a.m.** and one minute past noon as 12:01 p.m. Midnight is noted as 12:00 p.m. and one minute past midnight as **12:01 a.m.** The schedule is presented as a sailing day which begins with the first printed sailing time for that day and progresses consecutively through the last printed sailing time even though the last sailing may be past midnight and technically on the following day. Please pay special attention to annotations next to a sailing time.

Weekend or Holiday Schedules
The holiday schedule is in effect on November 27, December 25, and January 1, for Point Defiance/Tahlequah, Seattle/Bainbridge Island, Edmonds/Kingston, and Mukilteo/Clinton. Extra service may be provided for holiday

or special event traffic on any of the routes. Please watch for notices on the vessels, at the terminals, or call one of the schedule information numbers.

Security
Security regulations require that all passengers and vehicles are subject to possible security screening. Additional security measures appear in the **Safety** and **Loading** sections.

Safety
Hazardous materials are not allowed aboard a state ferry on scheduled passenger trips except those in compliance with Title 49 Code of Federal Regulations. Prohibited items include, but are not limited to, explosive or incendiary devices, chemical, biological, radiological agents or devices, unlawful or illegally possessed firearms, and illegal fireworks.

Gasoline may be transported in a vehicle in limited quantities up to 12 gallons total in portable containers, not to exceed six gallons maximum per container. Containers must be UL approved and in

good condition. All vehicles must have gas caps.

Regulations require that you shut off and tag all propane tanks prior to boarding, unless they are the primary fuel source for your vehicle. A limited number of portable propane tanks may be carried in a vehicle in addition to those installed in recreational vehicles. The total amount of propane shall not exceed 100 pounds (water equivalent) whether in a single 100-pound tank or multiple smaller tanks. All propane tanks must be secured and transported in a vehicle.

Transporting a combination of gasoline containers and propane tanks is very restricted. Please contact WSF Customer Service for detailed information.

Vehicle engines must be turned off while the vessel is underway. Do not restart your car until directed by a crew member.

Smoking is not allowed on WSF vessels. All smoking materials must be extinguished before boarding the vessel. No smoking is allowed within 25 feet of the entry to our ferry terminal facilities.

Loading
Unaccompanied vehicles, (vehicles without drivers), are not permitted.

Times listed in the schedule are departure times, unless otherwise noted. Vessels may cease loading two minutes in advance of departure time, except where noted. Walk-on passengers should be on board five minutes prior to departure time.

Vehicles are loaded in order of arrival with a few exceptions. However, vehicles that are over 7'6" tall or over 20' long, including those with tall antennas, may be loaded out of sequence and must pay a surcharge. Security requirements dictate that once loading has begun, the Captain's permission is required to disembark the vessel.

Vehicles should be in line at least 20 minutes prior to scheduled departure time. On some routes, vehicles must be moved frequently while in line. Please monitor your vehicle.

Bicyclists and persons carrying kayaks or canoes should wait near the front

of the loading area, since they normally load first. Once on board, secure bikes in the place provided. **Please Note:** On the passenger-only ferry, bicycle space is limited based on vessel size. Crews will direct passengers on placement of kayaks and canoes. When leaving the vessel, please watch for, and stay out of the way of, vehicles. Shoes with metal sports cleats are not permitted in passenger areas.

Animals, except service animals, are not allowed in terminal buildings or above the car decks, unless they are in a pet container. Contact terminal staff for loading procedures as vessel and terminal configurations vary. Animals that are not people-friendly should be muzzled or transported in a pet carrier.
