Vehicle emissions can be harmful to the environment as well as to other customers. Vehicle engines must be turned off while the vessel is underway. Do not restart your car until directed by a crew member.

 Smoking and e-cigarettes are not allowed on WSF vessels. All smoking materials must be extinguished before boarding the vessel. No smoking is allowed within 25 feet of the entry to ferry terminal buildings. Security regulations state that all passengers and vehicles are subject to possible security screening.

**Americans with Disabilities Act**  
 For medical preferential loading information or to obtain this schedule in alternate format, contact us via the information on the back panel of this schedule. Most terminals are accessible and all regularly-scheduled vessels are elevator-equipped. Check our website or contact us for current vessel elevator status. **Please let us know at the tollbooth if you need elevator access to allow us to load your vehicle appropriately.**

*Reservations must be made at least 2 hours in advance, and we recommend arriving at the terminal 30-60 minutes in advance of your sailing. See the Plan your Trip section of this schedule for further information.*  
 Note: Extreme tidal conditions may interrupt service on this route.

We offer seniors, persons with disabilities and passengers with a Medicare card or other eligibility verification travel at half the regular passenger fare. We also offer special rates for youth 6 through 18 years of age. Children 5 and under travel for free.

**Safety & Security**  
 Hazardous materials are not allowed aboard a state ferry on scheduled passenger trips except those in compliance with Title 49 Code of Federal Regulations. Prohibited items include, but are not limited to: explosive or incendiary devices, chemical, biological, radiological agents or devices, unlawful or illegally-possessed firearms, and illegal fireworks.

Gasoline may be transported in a vehicle in limited quantities up to 12 gallons total in portable containers, not to exceed six gallons maximum per container. Containers must be UL approved and in good condition. All vehicles must have gas caps.

Regulations require that you shut off and tag all propane tanks prior to boarding, unless they are the primary fuel source for your vehicle. A limited number of portable propane tanks may be carried in a vehicle in addition to those installed in recreational vehicles. The total amount of propane shall not exceed 100 pounds (water-weight equivalent) whether in a single 100-pound tank or multiple smaller tanks. All propane tanks must be secured and transported in a vehicle.

Once on board, secure bikes in the location provided. When leaving the vessel, please watch for and stay out of the way of vehicles. Shoes with metal sports cleats are not permitted in passenger areas. **Note:** Bicycles on roof racks may count as tall vehicles and be subject to a surcharge.

 Only service animals are allowed in terminal buildings or interior cabin spaces on vessels, except for pets in a pet container. However, pets are permitted on the exposed upper decks of vessels on some routes. Ask terminal staff for loading procedures, as vessels and terminals vary. Animals that are not people-friendly should be muzzled or transported in a pet carrier.

**Fares**  
 Passenger fares are round trip, with the exception of the Port Townsend/Coupeville route and sailings to/from Sidney, BC. Please refer to the *Passenger and Vehicle Fares* brochure or contact us via the information on the back panel of this schedule. You can pre-purchase your ferry ticket by going to our website. Cash, travelers checks and major credit cards are accepted as payment at the tollbooth. A receipt will be issued for all sales. If a receipt is not issued, or if there is a discrepancy, please call 206-515-3460, or send a description to the address on the back cover of this schedule, Attention: Operations Revenue Control.

 Vehicles that are over 7'6" in height or over 22' in length, including those with tall antennas, may be loaded out of sequence and must pay a surcharge. Vehicles without 12 inches of clearance from the ground may not be loaded. **Due to construction, limits are in place for oversized vehicle travel to Southworth.**

 Bicyclists and persons carrying kayaks or canoes should wait near the front of the loading area, since they normally load first. Crews will direct passengers on placement of kayaks and canoes.

**International Travel**  
Proof of citizenship is required for entry into Canada and the United States. Passports, Enhanced Driver's Licenses and Nexus Cards are accepted for entrance into Canada for travelers 16 years old and older. **Please note:** Individuals with felony or DUI convictions are routinely denied entry into Canada. Also, Canadian law prohibits individuals from bringing guns, mace, pepper spray and other personal defense products into Canada.

**Traveling with Children**  
U.S. and Canadian citizens who are 15 years old or younger are allowed to travel with just a copy of their birth certificate, as are teens between the ages of 16 and 18 if they are part of an adult-supervised school, religious, cultural or athletic group. If both birth parents are not traveling with children, you must have written authorization from the parent(s) along with a telephone number where they can be reached to verify the authorization or proof of custody. Failure to provide such evidence may make the child inadmissible to Canada.
