General Information

What's New?

Spring 2019 Sailing Schedule contains these changes from the prior sailing schedule:

- Anacortes/San Juan Islands**
Four vessels in service, similar to fall.
- Anacortes/Sidney, BC**
One daily round trip via Friday Harbor.
- Fauntleroy/Vashon/Southworth**
New weekday schedule and minor changes to weekend schedule; more sailings on weekends compared to winter.
- Port Townsend/Coupeville**
Two-boat service resumes Sunday, May 12.

Understanding Our Schedule

Times are in **color** for morning or after midnight (a.m.) departures, and in **black** for afternoon/evening (p.m.) departures. Times listed are departure times unless otherwise noted. The schedule begins with the first sailing time for that day and ends with the last sailing time, which may occur after midnight and technically be on the following day. Please pay special attention to annotations next to a sailing time.

For the most up-to-date schedules and sailing information, please visit <http://bit.ly/WSF-schedule> or call 206-464-6400.

Holiday Schedules

Sunday schedules are in effect on *Memorial Day*, Monday, May 27, for the Point Defiance/Tahlequah, Mukilteo/Clinton, and Port Townsend/Coupeville routes. Seattle/Bainbridge Island will run a Saturday schedule. The Edmonds/Kingston and Anacortes-San Juan Islands routes will operate a special holiday schedule on *Memorial Day*.

Extra service may be provided for holiday or special event traffic on any of our routes. Please watch for notices on the vessels, at the terminals, via the information on the back panel of this schedule, or sign up for email alerts at <http://bit.ly/WSFAlert>

Loading

Vehicles should be in line at least 20 minutes prior to scheduled departure time and are loaded in order of arrival with some exceptions. Heavy traffic may require earlier arrival. For reservation routes, refer to your confirmation for the required arrival time at the terminal. On some routes, expect to move your vehicle while waiting in line.

Walk-on passengers should be onboard five minutes prior to scheduled departure time, except where noted. Once loading has begun, the captain's permission is required to disembark the vessel.

Washington State Ferries is part of the State Highway System. Using a cell phone while driving on or off the ferry is prohibited by law. WSF is a participant in the WSDOT HERO program. Line cutters into ferry queues may be reported at 877-764-HERO (4376).

Vehicles that are over 7'2" in height or over 22' in length, including those with tall antennas, may be loaded out of sequence. Vehicles without 12" of clearance from the ground may not be loaded.

Bicyclists and persons carrying kayaks or canoes should wait near the front of the loading area, since they normally load first. Crews will direct passengers on placement of kayaks and canoes.

Once on board, secure bikes in the location provided. When leaving the vessel, please watch for and stay out of the way of vehicles. Shoes with metal sports cleats are not permitted in passenger areas.

Only service animals are allowed in terminal buildings or interior cabin spaces, except for pets in a carrier. Pets are permitted on the exposed upper decks of vessels on some routes. Ask terminal staff for loading procedures, as vessels and terminals vary.

Fares

Passenger (vehicle passenger or walk-on) fares are round-trip, with the exception of the Port Townsend/Coupeville route and sailings to and from Sidney, BC. Most vehicle fares are one-way, with the exception of the San Juan Islands and Vashon Island routes, which are round-trip fares. Vehicle fares are based on a vehicle's length, height, and width, as well as the distance traveled.

You can pre-purchase most ferry tickets by visiting <http://bit.ly/wave2go>. Cash, travelers checks, and major credit cards are accepted at the tollbooths. We offer seniors, persons with disabilities, and passengers with a Medicare card or other eligibility verification travel at half the regular passenger fare. We also offer special rates for youth 6 through 18 years of age. Children 5 and under travel for free.

Safety & Security

All passengers and vehicles are subject to possible security screening. Hazardous materials are not allowed onboard a state ferry. Prohibited items include explosive or incendiary devices, chemical, biological, radiological agents or devices, unlawful or illegally-possessed firearms, and illegal fireworks.

Gasoline may be transported in portable containers not to exceed six gallons maximum

per container, up to 12 gallons total. When calculating allowable transport limits, all fuel containers are to be considered full. Containers must be UL-approved and in good condition; "quick-pour" containers are not allowed. All vehicles must have gas caps.

Please shut off and tag all propane tanks prior to boarding unless they are the primary fuel source for your vehicle. A limited number of portable propane tanks may be carried in a vehicle in addition to those installed in recreational vehicles. The total amount of propane shall not exceed 100 pounds (water-weight equivalent) whether in a single 100-pound tank or multiple smaller tanks. All propane tanks must be secured and transported in a vehicle.

Please turn off your vehicle in the holding lanes. Vehicle emissions can be harmful to the environment as well as to other customers. Vehicle engines must be turned off while the vessel is underway. Do not restart your car until directed by a crew member.

Smoking and e-cigarettes are not allowed on WSF vessels. All smoking materials must be extinguished before boarding the vessel. No smoking is allowed within 25 feet of the entry to ferry terminal buildings.

Security regulations require that all passengers and vehicles are subject to possible security screening.

Americans with Disabilities Act

For medical preferential loading information or to obtain this schedule in alternate format, contact us via the information on the back panel of this schedule. Most terminals are accessible and all regularly-scheduled vessels are elevator-equipped. Check our website or contact us for current vessel elevator status. **Please let us know at the tollbooth if you need elevator access to allow us to load your vehicle appropriately.**

WSDOT will modify its policies, practices, and procedures to ensure individuals with disabilities have an equal opportunity to participate in its programs, services, or activities unless the modification is a fundamental alteration; creates a safety issue; or is not otherwise required by the ADA. Requests for modification can be made to any WSDOT employee, at wdsdotada@wsdot.wa.gov, or by calling 855-362-4ADA (4232).
