It is the Washington State Department of Transportation's policy to ensure that no person shall, on the grounds of race, color, national origin, or sex, as provided by Title VI of the Civil Rights Act of 1964, or based on disability as provided by the Americans with Disabilities Act, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. ## Passenger and Vehicle

# Fares

Effective October 1, 2018

Washington State Ferries!

## Fare Information

Please refer to the Fare Collection Points panel on the reverse side.

### Passenger Fares

Passenger fares are generally round-trip with the exception of the Port Townsend/Coupeville route and all international sailings. We offer seniors (65+) and persons with disabilities reduced fares with verification of eligibility. (See more information under Senior Citizens or Persons with Disabilities). Youth fares (6-18 years of age) are half the adult fare. Washington State Ferries also offers discounted fares for frequent users. (For more information see Multi-Ride Cards)

Washington State Ferries is also a partner in the ORCA (One Regional Card for All) smart card program with other regional transit systems.

### Vehicle Fares

Our vehicle fares are based on a vehicle's length, height, and width, as well as the distance you will be traveling. For example: The fare for a car towing a boat or trailer is based on the length of the car and the trailer or boat combined. Most vehicle fares are one-way with the exception of the San Juan Islands and Vashon Island routes, which are round-trip fares. Motorcycles with a sidecar and vehicles with three wheels under 8' in length will pay the motorcycle fare; motorcycles towing a trailer or three-wheeled vehicles 8' or over will pay the Under 14' vehicle fare.

### Pre-Purchase Tickets

Washington State Ferries encourages all of our customers to pre-purchase their fares prior

to arrival at the ferry terminal to expedite processing at the tollbooth. Single full fare tickets for both passengers and vehicle/drivers can be purchased online and printed on a personal printer up to 90 days in advance of travel. Buy tickets at our website at [www.bitly/wave2go](http://www.bitly/wave2go).

### Wave2Go Multi-Ride Cards

Multi-ride cards provide travel for 20 one-way trips or 10 round-trips, except for the San Juan Islands vehicle multi-ride cards, which contain five round-trips. Multi-ride cards, which are discounted for frequent use, expire 90 days from the date of purchase and are non-refundable. Multi-ride cards are available for both adult passengers and adult car and driver customers. These cards can be purchased at our online store at [www.wsdot.wa.gov/ferries/wave2go](http://www.wsdot.wa.gov/ferries/wave2go) and printed at home. They can be used more than once on the same sailing. The passenger multi-ride card is also available for ORCA card users. All multi-ride cards are good for 90 days.

### Monthly Passenger Pass

Monthly passenger passes are available for single users and are good for the calendar month. They can be used 31 times in a month and only once per sailing. They can be purchased between the middle of the prior month and the 10th of the active month. Monthly passes can also be placed on an ORCA card or a Wave2Go multi-ride card. [www.bitly/wave2go](http://www.bitly/wave2go).

### ReValue Products

Frequent users may choose to place their multi-ride product or their monthly pass on a revalue card, which automatically replenishes when all rides are used or at 90-day expiration. This ensures always having payment without having to pay at the tollbooth. This service is managed by the customer online, and the replenishment is charged to a credit card. Each time the card is revalued, the customer is notified. Seniors or customers with disabilities can also sign up for a revalue card. This card has five passenger fares (half price) and is good for 90 days. For more information, please visit our website at [www.bitly/wave2go](http://www.bitly/wave2go).

### Special Vehicles

For information on special rates and authorizations for school groups, visit [www.bitly/wsfschools](http://www.bitly/wsfschools), chartered buses and group sales, please call 511 or 206-464-6400.

### Carpools and Vanpools

Commuter carpools and vanpools registered with Washington State Ferries are eligible for preferential loading privileges. Registered vanpools pay for passengers only, not the vehicle. For more information, visit our website at [www.wsdot.wa.gov/ferries](http://www.wsdot.wa.gov/ferries).

### Receipts

Receipts are to be issued for all sales. If no receipt is issued, please notify us immediately.

Disputed fares must be submitted within 30 days. Please retain receipt as proof of payment. If you have problems with any fare-related purchase, please call our customer service line at 206-464-6400 for assistance.

### Persons With Disabilities

Persons with disabilities may travel at half the regular passenger fare if proper proof of disability is presented. Acceptable ID includes the Regional Reduced Fare Permit, Medicare Card or other identification which establishes disability. In the case of a driver with disabilities, only the driver portion of the fare is reduced, not the vehicle portion. If a customer with a disability requires attendant care and has proof via physician certification, an attendant care endorsement can be placed on their Regional Reduced Fare Permit or Ferries Disability Travel Permit allowing the attendant to travel for free as a passenger. For more information on the Regional Reduced Fare Permit, call 206-553-3060. For information concerning the Ferries Disability permit, contact our customer service staff at 1-888-808-7977. Attendants driving a person with disabilities may use a multi-ride car and driver card as payment.

### Senior Citizens

Passengers and drivers 65+ qualify for reduced fares (half the regular passenger fare). In the case of the senior driver, only the passenger

portion of the fare is reduced, not the vehicle portion. Proof of eligibility may be requested at the tollbooth when purchasing passage.

### Youth

Children under six years of age travel free. Children 6-18 years of age travel at 50% of the regular passenger fare. Tickets are not available online or at a kiosk as proof of eligibility is required.

### Peak Season Charges

During the ferry system's busiest months, a peak season surcharge is in effect for vehicles and drivers paying full fare. Multi-ride card fares are not impacted by peak season fare increases. The peak season is in effect from May 1 through September 30.

### Accepted Forms of Payment

WSF terminals accept the following payment types:

- Cash
- Traveler's Checks
- ORCA
- Transit Vouchers
- Debit cards and all major credit cards (must be signed)

**Note:** Transit vouchers are available through local transit agencies and may be used at WSF terminals. No change will be given should the value of the voucher exceed the amount of the transaction.

## Surcharges

Please refer to the Fare Collection Points panel on the reverse side.

### Capital Surcharge

The fares listed in this brochure include a system-wide surcharge of 25 cents per fare. The surcharge is required by law and is dedicated to funding WSF Capital Program. The 25 cent surcharge is assessed on every ticket issued, whether a one-way or round-trip fare. Multi-ride and monthly passes reflect the total per-ticket price.

### Example of how the Capital Surcharge is added:

Central Sound Routes

One-way standard vehicle/driver:  
\$15.10 + 0.25 surcharge = \$15.35 total.

Round-trip passenger:  
\$8.25 + 0.25 surcharge = \$8.50 total.

Multi-ride (20 fares) standard vehicles:  
\$241.00 + \$5.00 surcharge = \$246.00 total.

Multi-ride (10 fares) passengers:  
\$66.00 + \$2.50 surcharge = \$68.50 total.

Passenger monthly pass:  
\$105.60 + \$4.00 surcharge = \$109.60 total.

### Fuel Surcharge

A fuel surcharge may be added to the amounts listed in this brochure if and when fuel costs exceed the currently-funded average fuel price. WSF reviews fuel costs on a quarterly basis and applies, removes or adjusts the fuel surcharge. The maximum surcharge amount is 10 percent. WSF is required to notify customers 30 days in advance of any changes to the fuel surcharge.

### Bicycle Surcharge

Bicyclists paying full fare will be charged a modest surcharge. Bicyclists traveling with a monthly passenger pass, multi-ride passenger card or an ORCA card are exempt from the bicycle surcharge on all routes except Anacortes/San Juan Islands or Sidney, BC.

Reservations are highly recommended where available to each of the San Juan Islands, eastbound from Friday Harbor and Orcas. Fares are purchased separately at [www.bitly/wave2go](http://www.bitly/wave2go) or at the terminal.

- Reservations can be made online at [www.wsdot.wa.gov/ferries](http://www.wsdot.wa.gov/ferries) or by calling 1-888-808-7977 before the lockout period, which is two hours prior to the desired sailing.
- A valid credit card is needed to confirm a reservation (no deposit is required).
- A no-show fee will be charged to the credit card if the reservation holder does not travel from the reserved departure terminal anytime during that operating day.
- Reservations may be changed once after 5:00 p.m. the day prior and up until the two-hour lockout period. Once this change is made, the reservation cannot be changed again or cancelled.
- Reservations may be changed or cancelled until 5:00 p.m. the day prior to travel without penalty.
- If the vehicle is larger than the space reserved, the reserved space may be forfeited and the vehicle may travel on a space-available basis.

**International route**  
 Reservations are highly recommended. Customers should arrive at the departure terminal 60-90 minutes in advance of the sailing with appropriate travel documentation to ensure proper screening by customs and/or immigration officials.

**Port Townsend/Coupeville and Anacortes/San Juan Islands**  
 Reservations are recommended, especially during the peak season and busy holidays. Refer to your reservation confirmation page for the required arrival time at the terminal. Limited standby space is available; however, standby vehicles may have to wait several hours. Travel on the Port Townsend/Coupeville route may be disrupted due to tidal or weather conditions.
