

General Fare Information

Washington State Ferries

Welcome aboard Washington State Ferries. We hope you enjoy your voyage.

Passenger Fares
Passenger fares are generally round-trip with the exception of the Port Townsend/Coupeville route and all international sailings. We offer seniors (65+) and persons with disabilities reduced fares with verification of eligibility. (See more information under Senior Citizens or Persons with Disabilities). Youth fares (6-18 years of age) are half the adult fare. Washington State Ferries also offers discounted fares for frequent users (for more information see Multi-Ride Cards).

Washington State Ferries is also a partner in the ORCA (One Regional Card for All) smart card program with other regional transit systems.

Vehicle Fares

Our vehicle fares are based on a vehicle's length, height, and width, as well as the distance you will be traveling on board our ferry. For example: The fare for a car towing a boat or trailer is based on the length of the car and the trailer or boat combined. Most vehicle fares are **one-way** non-refundable. Multi-ride cards are available for both Vashon Island routes, which are round-trip fares. Motorcycles with a sidecar and vehicles with three wheels under 8' in length will pay the motorcycle fare; motorcycles towing a trailer or three-wheeled vehicles 8' or over will pay the Under 14' vehicle fare.

Pre-Purchase Tickets

Washington State Ferries encourages all of our customers to pre-purchase their fares prior to arrival at the ferry terminal to expedite processing at the tollbooth. Single full fare tickets for both passengers and vehicle/drivers can be purchased in advance of travel. Buy tickets at our website www.wsdot.wa.gov/ferries/wave2go.

Discounts for Frequent Users

Washington State Ferries provides discounts to our frequent users. Wave2Go multi-ride cards offer a 20% discount for passengers and a 20-45% discount for vehicle and drivers depending on the season. A monthly ferry passing pass offers a 20% discount or more depending on the number of uses. The monthly passenger pass is limited to 31 round-trips per month and can be used from the first day of a month to the last day of the month.

Wave2Go Multi-Ride Cards

Multi-ride cards provide travel for 20 one-way trips or 10 round-trips, except for the San Juan Islands vehicle Multi-Ride Cards. Multi-ride cards are available for both non-refundable. Multi-ride cards are available for both Vashon Island routes, which are round-trip fares. Motorcycles with a sidecar and vehicles with three wheels under 8' in length will pay the motorcycle fare; motorcycles towing a trailer or three-wheeled vehicles 8' or over will pay the Under 14' vehicle fare.

Receipts

Passengers and drivers 65+ qualify for reduced fares (half the regular passenger fare). In the case of the senior driver, only the passenger portion of the fare is reduced, not the vehicle portion. Proof of eligibility may be requested at the tollbooth when purchasing passage.

Preferential Loading

Commuter carpools and vanpools registered with Washington State Ferries are eligible for preferential loading privileges. Registered vanpools pay for passengers only, not the vehicle. For more information, check our website at www.wsdot.wa.gov/ferries.

Special Vehicles

For information on special rates and authorizations for school groups, chartered buses and group sales, please call 511 or 206-464-6400.

Bicycle Surcharge

Bicyclists paying full fare will be charged a modest surcharge. Bicyclists traveling with a monthly passenger pass, multi-ride passenger card or an ORCA card are exempt from the bicycle surcharge on all routes except Anacortes/San Juan Islands or Sidney, BC.

Monthly Passenger Pass

Monthly passenger passes are available for single users and are good for the calendar month. They can be used 31 times in a month and only once per sailing. They can be purchased between the middle of the prior month and the 10th of the active month. Monthly passes can also be placed on an ORCA card.

Revalue Products

Frequent users may choose to place their multi-ride product or their passenger pass on a revalue card, which automatically replenishes when all rides are used or at 90-day expiration. This insures always having payment without having to pay at the tollbooth. This service is managed by the customer online and the replenishment is charged to a credit card. Each time the card is revealed, the customer is notified. Seniors or customers with disabilities can also sign up for a revalue card. This card has five passenger fares (half price) and is good for 90 days. For more information, please visit our website at www.wsdot.wa.gov/ferries/wave2go.

Peak Season Charges

During the ferry system's busiest months, a peak season surcharge is in effect for vehicles and drivers paying full fare. Multi-ride card fares are not impacted by peak season fare increases. The peak season is in effect from May 1 through September 30.

Accepted Forms of Payment

WSF terminals accept the following payment types:

- Cash
- Traveler's Checks
- Transit Vouchers
- ORCA credit cards (must be signed)

Youth

Children under six years of age travel free. Children 6-18 years of age travel at 50% of the regular passenger fare. Tickets are not available online or at a kiosk as proof of eligibility may be required.

Persons With Disabilities

Persons with disabilities may travel at half the regular passenger fare if proper proof of disability is presented. Acceptable ID includes the Regional Reduced Fare Permit, Medicare Card or other identification which establishes disability. In the case of a driver with disabilities, only the driver portion of the fare is reduced, not the vehicle portion. If a customer with a disability requires attendant care and has proof via physician certification, an attendant care endorsement can be placed on their Regional Reduced Fare Permit or Ferries Disability Travel Permit allowing the attendant to travel for free as a passenger. For more information on the free as a passenger, call 206-553-3060. For information concerning the Ferries Disability Permit, contact our customer service staff at 1-888-808-7977. Attendants driving a person with disabilities may use a multi-ride car and driver card as payment.

Senior Citizens

Passengers and drivers 65+ qualify for reduced fares (half the regular passenger fare). In the case of the senior driver, only the passenger portion of the fare is reduced, not the vehicle portion. Proof of eligibility may be requested at the tollbooth when purchasing passage.
