
The Washington State Department of Transportation
welcomes you to the announcement of the Preferred Alternative for the

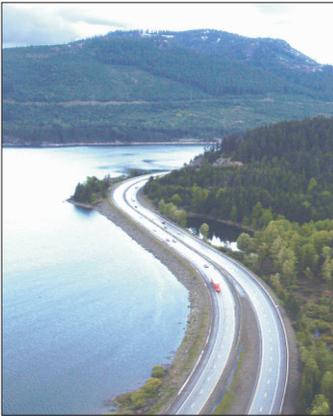

I-90 Snoqualmie Pass East Project

*Join local businessmen, citizens, transportation and environmental interests,
civic leaders, elected officials, and WSDOT staff.*

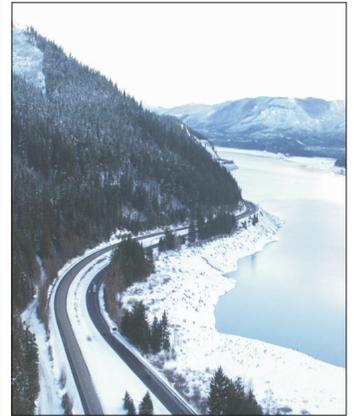

Doug MacDonald, WSDOT Secretary of Transportation

will announce the selection of the Preferred Alternative and discuss transportation in Washington State.

Virtual Open House

WSDOT is testing an innovative approach to public involvement through the use of a web based **virtual open house** to announce the preferred alternative for the I-90 Snoqualmie Pass East project. People who cannot attend the open house will be able to simultaneously participate by logging onto the **virtual open house** through the event agenda posted on the project website:
