

# Florida Rest Areas

## Florida Department of Transportation

Dean Perkins, Architect—Rest Area Program Manager

Recently reconstructed rest areas meeting new rest area standards to meet CPTED criteria and ADA standards. All facilities include: restrooms & family restrooms; TDDs/TTYs; vending areas (Randolph-Sheppard); picnic shelters & pet-walk areas; auto, truck and RV parking & night-time security. All facilities have 'paired' restroom facilities (2 Men's & 2 Women's).
