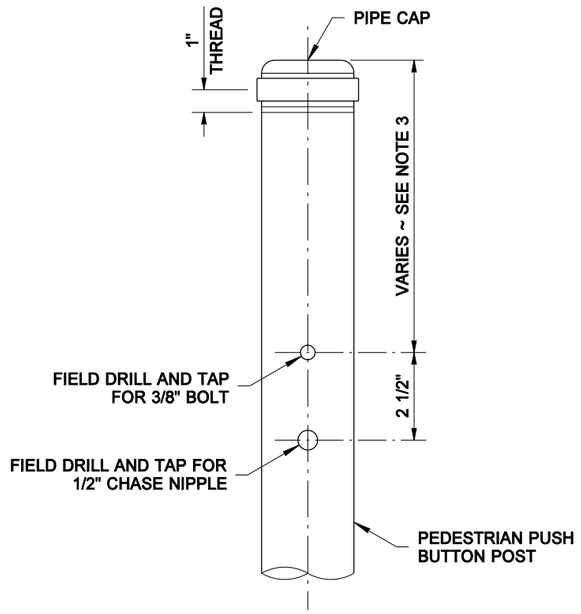
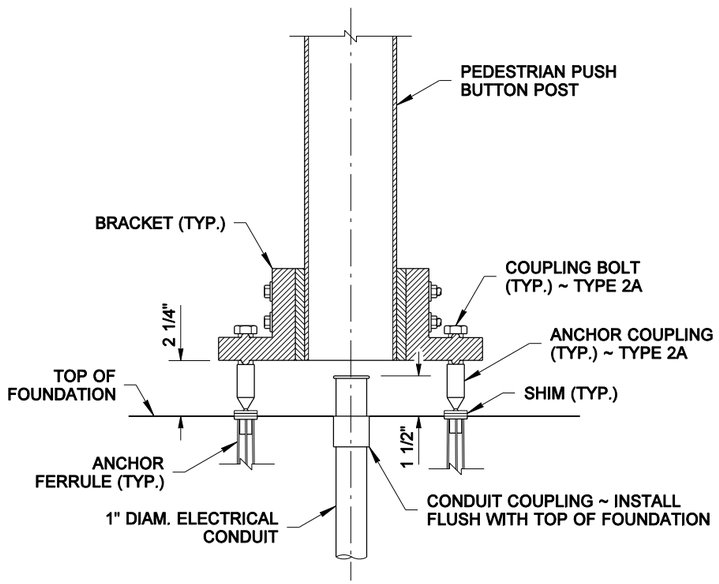
FOUNDATION DETAIL



POST DETAIL



SECTION (A)

NOTES

1. See **Standard Specification 9-06.16** for Breakaway Foundation details. Dimensions for the parts used to assemble the base connections are intentionally not shown. Base connections are patented, manufactured products that are in compliance with NCHRP 350 crash test criteria. The base connection details are only shown on this plan to illustrate how parts are assembled.
2. See **Standard Plan J-20.26** for Pedestrian Push Button details.
3. See **Standard Plan J-20.10** for Pedestrian Push Button placement with a landing or without a landing, and an optional 2-Way Pedestrian Push Button.
