2014 Environmental Director's Award Winner

The SR 530 Slide Emergency Response Team

For exceptional
dedication and innovative
response to the Oso
community and
environment

Oso Slide

SR 530 Slide Response

Small breach in the debris dam

Removal of slide debris

Slide debris crossing SR 530

SR 530 Slide Response

SR 530

2014 Environmental Director's Award Winner

Dave Wasson
Chehalis Area Engineering
Office

For diligence and collaboration in
protection the environment on
major construction projects

Dave Wasson

Plumber Lake Turbidity Curtain

Dave at work

Congratulations

from WSDOT's Environmental Services Office!
