

Environmental Compliance Assurance Procedure Form

Instructions: This form is to be used on projects that transferred the NPDES Construction Stormwater General Permit (CSWGP) to the Contractor. Should a violation of the CSWGP occur (also referred to as a noncompliance event), the Contractor shall immediately notify the Engineer and submit this form to the Engineer within 48 hours of the violation.

When submitting this form to the Engineer, copies of formal violations or written notifications that a violation occurred, monetary penalties, or other associated documents and photos shall be attached.

For more information, please contact the WSDOT Environmental Services Office at (360) 570-6654.
