

1 (April 7, 2008)
2 This project contains merchantable timber.
3
4 *Export Restrictions* - DOT Form 410-100, Purchaser Certification for Export
5 Restricted Timber, will be included when the contract is sent to the Contractor for
6 execution. The form shall be completed and signed by the Contractor. The
7 Contractor shall send the original signed form and one copy of the signed form
8 directly to the Washington State Department of Revenue at the address on the
9 form. The Contractor shall send one signed copy along with the other documents
10 required by Section 1-03.3 to the Contracting Agency with the executed contract.
11
12 *State Tax Requirements* - It shall be the Contractor's responsibility to pay to the
13 State Department of Revenue all taxes on harvested timber.
