

1 (February 25, 2013)
2 Temporary fills at *** \$1\$ \$ *** must be removed within *** \$2\$ \$ *** calendar
3 days of beginning placement of these fills. This time period may be extended
4 with approval from the Engineer. Requests to extend must be received a
5 minimum of 45 days prior to the expiration of number of days listed above,
6 since the extension is subject to concurrence by the U.S. Army Corps of
7 Engineers.
