

1 (March 13, 1995)
2 Except for the load limit restrictions specified in Section 1-07.7(2), the Contractor may
3 operate vehicles which exceed the legal gross weight limitations without special permits
4 or payment of additional fees provided such vehicles are employed in the construction
5 and within the limits of this project.
6

7 Subparagraph 1 of the second paragraph of Section 1-07.7(1) is deleted.
