2 ***Incentive For Early Completion***

3 It is essential that the Contracting Agency has full and unrestricted use of the facilities at
4 the earliest possible time. As an incentive to the Contractor, the Contracting Agency will
5 pay the Contractor *** \$1\$\$ *** for each working day remaining in the contract prior to
6 the established *** \$2\$\$ *** completion date, but not to exceed an amount equal to ***
7 \$3\$\$ ***.

8
9 The days eligible for the incentive will be calculated by subtracting the working days
10 elapsed through the date of *** \$4\$\$ *** completion from the total working days
11 established in the Special Provision **TIME FOR COMPLETION**.
