2 Liquidated damages in the amount of *** \$\$1\$\$ *** per working day will be assessed for
3 failure to physically complete the temporary traffic signal portion of the contract within
4 the physical completion time specified. Liquidated damages in an amount based upon
5 the original contract amount and original time, will be assessed for failure to physically
6 complete the entire project within the physical completion time specified. Such
7 damages will accrue separately for each phase or stage of work. In the event damages
8 occur on a concurrent date, the larger of the two damages will apply for such days.
