- 24 1. At least 4 hours long or a length agreed to by the Engineer.
 - 25 2. Cover all aspects of work methods, equipment and materials the Contractor is
26 proposing to use.
 - 27 3. Conducted within 3 miles of the job site or at a mutually agreed to location.
 - 28 4. Completed before the start of paving.
 - 29 5. Conducted during normal working hours.
 - 30 6. At the Contractors option, JITT may be an extension of a prepaving
31 conference.
32

33 ***Submittals***

34 A minimum of 5 calendar days before JITT the Contractor shall submit to the Engineer
35 the instructor's name and qualifications, the JITT facility's location, and 1 copy each of
36 any course, handout, and presentation materials.
37

38 **Payment**

39 Payment will be made for each of the following items that are included in the Proposal:

40 "Just In Time Training", lump sum.
41

42
43 The lump sum Contract payment shall be full compensation for all costs incurred by the
44 Contractor in providing "Just In Time Training".
