

1 (August 3, 2009)  
2 A portion of the work involved in this project is located over or near railroad  
3 facilities. The Contractor shall exercise great care in all operations in order that no  
4 interruptions or damage will occur to the railroad trains or facilities. The Contractor  
5 shall contact the Railroad Company regarding the times and the conditions under  
6 which cleaning and painting work over or adjacent to railroad tracks may be  
7 accomplished.
