

1 (January 5, 2015)
2 The Contractor shall be responsible for all Work required for compliance with the
3 Construction Stormwater General Permit (CSWGP) including annual permit fees.
4

5 **TESC Compliance Incentive**
6 If the Proposal includes the Bid item "TESC Compliance Incentive" then an
7 incentive has been established to provide the Contractor the opportunity to earn
8 additional payment for carrying out well-planned and proactive implementation of
9 the CSWGP requirements in order to protect the environment during construction.

10
11 The Contractor will earn a TESC Compliance Incentive payment in the amount of
12 five percent of monies paid on a progress estimate for the Bid item Erosion Control
13 and Water Pollution Prevention when all Work by the Contractor during the period
14 of that progress estimate complies with all Contract requirements for Erosion
15 Control and Water Pollution Prevention and the CSWGP.
