

1 (April 6, 2015)  
2 "Removing Sign Structure Shaft Obstructions", estimated.  
3 Payment for removing obstructions, as defined in Section 8-21.3(9)F as supplemented  
4 in these Special Provisions, will be made for the changes in shaft construction methods  
5 necessary to remove the obstruction. The Contractor and the Engineer shall evaluate  
6 the effort made and reach agreement on the equipment and employees utilized, and the  
7 number of hours involved for each. Once these cost items and their duration have been  
8 agreed upon, the payment amount will be determined using the rate and markup  
9 methods specified in Section 1-09.6. For the purpose of providing a common proposal  
10 for all bidders, the Contracting Agency has entered an amount for the item "Removing  
11 Sign Structure Shaft Obstructions" in the bid proposal to become a part of the total bid  
12 by the Contractor.

13  
14 If the shaft construction equipment is idled as a result of the obstruction removal work  
15 and cannot be reasonably reassigned within the project, then standby payment for the  
16 idled equipment will be added to the payment calculations. If labor is idled as a result of  
17 the obstruction removal work and cannot be reasonably reassigned within the project,  
18 then all labor costs resulting from Contractor labor agreements and established  
19 Contractor policies will be added to the payment calculations.

20  
21 The Contractor shall perform the amount of obstruction work estimated by the  
22 Contracting Agency within the original time of the contract. The Engineer will consider a  
23 time adjustment and additional compensation for costs related to the extended duration  
24 of the shaft construction operations, provided:

- 25  
26 1. the dollar amount estimated by the Contracting Agency has been exceeded,  
27 and  
28  
29 2. the Contractor shows that the obstruction removal work represents a delay to  
30 the completion of the project based on the current progress schedule provided  
31 in accordance with Section 1-08.3.
