

1 **Section 8-22, Pavement Marking**

2 **January 4, 2016**

3 **8-22.4 Measurement**

4 The first two sentences of the fourth paragraph are revised to read:

5

6 The measurement for “Painted Wide Lane Line”, “Plastic Wide Lane Line”, “Profiled
7 Plastic Wide Lane Line”, “Painted Barrier Center Line”, “Plastic Barrier Center Line”,
8 “Painted Stop Line”, “Plastic Stop Line”, “Painted Wide Dotted Entry Line”, or “Plastic
9 Wide Dotted Entry Line” will be based on the total length of each painted, plastic or
10 profiled plastic line installed. No deduction will be made for the unmarked area when the
11 marking includes a broken line such as, wide broken lane line, drop lane line, wide
12 dotted lane line or wide dotted entry line.

13

14 **8-22.5 Payment**

15 The following two new Bid items are inserted after the Bid item “Plastic Crosshatch Marking”,
16 per linear foot:

17

18 “Painted Wide Dotted Entry Line”, per linear foot.

19

20 “Plastic Wide Dotted Entry Line”, per linear foot.
