Publications Transmittal

Transmittal Number
PT 12-003

Date
January 2012

Publication Title / Publication Number
Local Agency Guidelines M 36-63.12

Originating Organization
Highways and Local Programs, Engineering Services

Remarks and Instructions
The complete manual, revision packages, and individual chapters can be accessed at www.wsdot.wa.gov/publications/manuals/m36-63.htm.

Please contact Stacie Kelsey at 360-705-7383 with comments, questions, or suggestions for improvement to the manual.

For updating printed manuals, page numbers indicating portions of the manual that are to be removed and replaced are shown below.

Materials can be provided in alternative formats by calling the ADA Compliance Manager at 360-705-7097. Persons who are deaf or hard of hearing may contact that number via the Washington Relay Service at 7-1-1.

Title VI Notice to the Public

It is Washington State Department of Transportation (WSDOT) policy to ensure no person shall, on the grounds of race, color, national origin, or sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. Any person who believes his/her Title VI protection has been violated may file a complaint with WSDOT’s Office of Equal Opportunity (OEO). For Title VI complaint forms and advice, please contact OEO’s Title VI Coordinator at 360-705-7082 or 509-324-6018.

### Chapter 33  Emergency Relief Program  
33-1  
33.1  Steps Following a Disaster  
33-2  
33.2  FHWA’s Emergency Relief Program Guidelines  
33-3  
33.3  Reimbursable Expenses  
33-6  
33.4  Types of Emergency Relief Work  
33-10  
33.5  Contracts  
33-16  
33.6  Additional Project Requirements  
33-18  
33.7  Funding  
33-19  
33.8  FEMA Program Guidelines  
33-19  
33.9  Appendices  
33-21  
Appendix 33.91  Local Agency Proclamation  
33-23  
Appendix 33.92  Governor’s Proclamation  
33-24  
Appendix 33.93  Local Agency Damage Inspection Report  
33-25  

### Chapter 34  Highway Bridge Program  
34-1  
34.1  General Discussion  
34-1  
34.2  Bridge Condition Inspection Program  
34-1  
34.3  Quality Assurance and Quality Control Reviews  
34-5  
34.4  Highway Bridge Program Call for Projects

Chapter 46  Local Advertising and Award Procedures

This chapter is used by local agencies operating under Certification Acceptance (Chapter 13) and choosing to advertise and award construction contracts themselves. Chapter 52, Local Administered Projects, will also apply to these agencies.

Local agencies wanting to have the Washington State Department of Transportation (WSDOT) to administer their construction contracts should refer to Chapter 51, WSDOT Administered Projects.

46.1 General Discussion

Local agencies may let contracts for their projects provided that the following conditions are met:

.11 The local agency uses the advertising and award procedures outlined in this section to advertise for bids, select the lowest responsible bidder, and award the contract.

.12 A Local Agency Agreement between the state and local agency is in effect setting forth the conditions under which the project will be constructed.

.13 The local agency is participating in the cost of the project or has other special interests in it.

.14 The local agency is certified for project administration in accordance with Chapter 13, Becoming Certified to Administer FHWA Projects.

No project can be advertised until the following has been completed:

• PS&E approved.
• The environmental document is approved.
• The project’s right of way has been certified.
• Project Disadvantaged Business Enterprise (DBE) and Training goals have been established.
• Construction funds have authorized Highways and Local Programs (H&LP).
• A contract number has been obtained from the Region Local Programs Engineer.
46.2 Procedures

.21 Funding. A Local Agency Agreement and construction funds must be authorized by the H&LP before a contract is advertised.

.22 Bidding Procedures. The local agency is prohibited from establishing any procedures or requirements for qualification or licensing of contractors, which prevents the submission of bids or prohibits consideration of bids submitted by any responsible contractor, whether resident or nonresident of the state, except as outlined below.

The prequalification of prospective bidders is the responsibility of the local agency. WSDOT will not prequalify prospective bidders for local agency projects. A local agency may at its option use the WSDOT prequalification procedure specified in the WSDOT Standard Specifications. When an agency does not prequalify prospective bidders, they should afford 10 days after notification for the low bidder to provide evidence of capability to perform the work. The evaluation of capability should include consideration of experience, personnel, equipment, financial resources, and performance record; the information should be sufficient to enable the bidder to obtain the required qualification rating prior to the contract award.

Qualification must, as a minimum, consist of bonding capability as required by state law and compliance with licensing requirements of state law. The local agency may include additional requirements.

When the DBE participation goal is included in the contract provisions, meeting the goal is part of the bidding requirements, as explained in Chapter 26, Disadvantaged Business Enterprises, and Chapter 44, Plans, Specifications, and Estimates.

For all FHWA projects, bidding opportunities, on a nondiscriminatory basis, shall be afforded to all qualified bidders regardless of state boundaries, race, sex, color, or national origin.

No bidder shall be disqualified or prevented from competitive bidding by restricting the purchase of a surety bond or insurance policy from any surety or insurer outside the state and authorized to do business with the state.

.24 Advertising of the Project. FHWA projects previously approved should be advertised for a three-week period prior to opening of bids. The contract advertisement period shall be as follows: Projects shall be advertised in the local agency’s official legal publication at least twice, 20 calendar days prior to the last date upon which the bids will be received. The agency will award
and execute the contract to the lowest responsive bidder unless the agency decides that all bids are to be rejected. Projects must be advertised a minimum of two weeks. Two week advertisement periods require approval from FHWA and must document justification of why a shorter advertisement period is necessary. Examples for requesting shorter advertising periods are as follows:

- Emergency correction of roadways or bridges.
- To meet the conditions of an environmental permit (fish windows).
- To meet the conditions of a Bureau of Reclamation Permit (Irrigation Canal).
- To complete project prior to a school district opening in the fall.

In addition, the justification for the two week ad request should include the following:

- Will the shorter ad period limit the competition?
- Will the shorter ad period increase the overall cost of the project?
- Does the project include a Disadvantaged Business Enterprise (DBE) goal and will it allow the subcontractors sufficient time to submit a bid to the proposal holders?

The project will be advertised in the official legal publication for the agency and, if necessary, other newspapers to provide the widest possible coverage commensurate with the size of the project. Affidavits of publication must be in the project file.

The local agency will comply with the standard USDOT Title VI Assurances by inclusion of the following language in the solicitations for bids:

“The (Local Agency) in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, subtitle A, Office of the Secretary, Part 21, nondiscrimination in federally assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color or national origin in consideration for an award.”

Should an addendum be necessary during the advertising period to correct or add something to the bid or plan data, such addenda shall be approved by the CA local agency prior to transmittal to all the plan holders. Each bidder shall present with their bid written notice of their receipt of each addendum received.
.25 **Bid Opening.** All bids received in accordance with the terms of the advertisement shall be publicly opened and announced, either item by item or by total amount.

If any bid received is not read, the name of the bidder and the reason for not reading the bid shall be publicly announced at the bid opening.

Adequate justification for rejecting any bids must be documented by the local agency.

.26 **Evaluation of Bids for Award.** The local agency shall verify that all required bid documents have been properly submitted and executed by all bidders. All bids are then reviewed for accuracy, unbalancing of bid items, etc., and tabulations checked and confirmed. Any corrections to the bid tabulations are made, if necessary, in accordance with the WSDOT *Standard Specifications* Section 1-02 and 1-03.

In order for a bid to be considered responsive, a bid deposit of at least 5 percent of the total bid proposal must accompany each bid. In accordance with Section 1 02.7 of the *Standard Specifications*, the Proposal Bond shall not be conditioned in any way to modify the minimum 5 percent required.

When there is a specified DBE goal for the project, the successful bidder will be selected on the basis of having submitted: (1) the lowest responsive bid which has met the DBE goal; or (2) when the DBE participation is less than the specified goal, responsiveness will be determined on the basis of good faith efforts to attain the goal. For more information on DBE program requirements see Chapter 26 of the *LAG Manual*.

The local agency shall prepare a tabulation of bids showing the item details for at least the three lowest acceptable bids.

The local agency shall document the reason(s) for rejecting the low bid and may reject all bids for any reason(s).

Reasons for justifying an unusual award:

- Where the competition is good; or
- Where the project is essential to the public interest (safety, emergency repair, etc.); or
- Where the engineer’s estimate is clearly in error to a significant amount; or
- Where advertising again would likely result in higher bids.

If the local agency determines that the lowest bidder is not qualified or deemed non-responsive, it shall document those findings prior to awarding the bid to the next-lowest responsive bidder.
The Local Agency Agreement must be supplemented if any overrun or underrun occurs beyond the authorized amount. See Section 22.3.

One originally signed Supplemental Agreement form must be submitted to the Region Local Programs Engineer. This supplemental agreement form will be retained by WSDOT. It is the responsibility of the local agency to submit an additional supplemental agreement form or copy if they need an executed supplemental agreement for their files.

.27 Award of Contract. After bids have been tabulated and evaluated in accordance with the procedures described above, the construction contract may be awarded to the lowest responsive bidder. Projects with DBE goals must have concurrence of the Region Local Programs Engineer prior to award. Failure to obtain LPE approval will jeopardize the project’s federal funding. Prior to award, agencies must verify contractor status with the Excluded Parties Listing System (EPLS) at www.epls.gov/ to determine if a contractor has been excluded from bidding on a federal-aid contract. The results of that search will be documented to the project file. EPLS is the electronic version of the Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs (Lists), which identifies those parties that have been suspended, debarred, or otherwise excluded from bidding on federal procurement and nonprocurement contracts. Construction contracts awarded to firms listed on the Excluded Parties Listing will not be eligible for federal-aid reimbursement.

After award by the local agency, the contractor must be advised of the award in writing. For an example of an award letter for a contract that has an identified DBE goal, see Appendix 46.42. The second, third, fourth, and fifth paragraphs must be included in the local agency letter. An award letter for contracts without a DBE goal can be similar but would not include the second, third, fourth, and fifth paragraphs.

.28 Execution of Contract. Local agencies shall not execute a contract with any contractor who is not registered or licensed in accordance with state laws.

The local agency prepares the necessary documents and forwards them for execution by the successful bidder and the proper officials of the local agency.

A sample of a standard contract agreement is in Appendix 44.73. The Region Local Programs Engineers can furnish these standard forms upon request.

46.3 Submittal of Award Data

Before construction begins, the local agency must submit the following information to the Region Local Programs Engineer:

- Tabulation of bids.
- Engineer’s estimate.
• Award letter to the contractor.
• Names and addresses of all firms that submit a quote to the successful low bidder.
• DBE Utilization Certification, WSDOT Form 272-056A (if applicable).
• DBE Written Confirmation Document, WSDOT Form 422-031A (if applicable).

Failure to submit the above listed information, before construction begins, will result in a delay of reimbursement for the billed cost, until the information is received.

46.4 Appendices

Attached are the following required documents plus any additional information that may be applicable:

- _______ Bid proposal from the lowest responsible bidder.
- _______ Bid bond.
- _______ Noncollusion Plan Certification.
- _______ DBE Certification (if required).
- _______ Tabulation of Bids.
- _______ FHWA cost breakdown showing total project cost, FHWA participation, and Local Agency participation.
- _______ Additional documents.

____________________  _____________________________
Date  Local Agency Engineer

____________________  _____________________________
Date  Approving Authority
INVITATION TO BID
LOCAL AGENCY'S LETTERHEAD
DEPARTMENT OF ENGINEERING
WASHINGTON

Sealed bids will be received by the (Local Agency), at the reception desk located in Room _______ of the __________, Washington until __________ a.m. on __________ and will then and there be opened and publicly read for the construction of the improvement(s).

All bid proposals shall be accompanied by a bid proposal deposit in cash, certified check, cashier’s check, or surety bond in an amount equal to five percent (5%) of the amount of such bid proposal. Should the successful bidder fail to enter into such contract and furnish satisfactory performance bond within the time stated in the specifications, the bid proposal deposit shall be forfeited to the (Local Agency).

The right is reserved to reject any and all bids and to waive informalities in the bidding.

Maps, plans, and specifications may be obtained from this office upon payment of the amount of $_______.

Informational copies of maps, plans and specifications are on file for inspection in the Office of the Local Agency Engineer, (Local Agency), Washington.

The following is applicable to federal aid projects.

*This bolded paragraph cannot be reworded for FHWA funded projects.*
Date of Award

To: — contractor —

Project Title
FA No.
Contract No.

This will advise that the contract for the above referenced project has been awarded to your firm at your bid price of $______________.

This letter shall become a contract specification at the time of award.

It is the policy of the United States Department of Transportation and the — local agency’s name — that Disadvantaged Business Enterprises (DBE), as defined in the specifications for this contract, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds. Consequently, (except as specifically provided in the specifications for this contract) the requirements of 49 CFR 26 apply to this contract.

As contractor, you are agreeing to ensure that DBE as defined in the specifications of this contract have the maximum opportunity to participate in the performance of this contract. In this regard, you are obliged to take all necessary and reasonable steps in accordance with 49 CFR 26 to ensure DBEs are informed of this project and given equal consideration in awarding of work. You are legally bound not to discriminate on the basis of race, color, national origin, or sex in the performance of this contract.

The award of this contract was made with the understanding that the firms listed on the DBE Utilization Certification will be performing the dollar value of work as indicated.

Prior to submitting the signed contract for execution, — Company Name — will provide the following two items:

1. Breakout information for all successful DBEs as shown on the DBE Utilization Certification.
   • Correct business name, federal employer identification number (if available), and mailing address.
   • List of all bid items assigned to each DBE firm, including unit prices and extensions, indicating any anticipated sharing of resources (e.g., equipment, employees)
   • Indicate partial items – specify the distinct elements of work to be performed by the DBE firms and provide a complete description of these partial items.

   Note: Total amounts shown for each DBE shall not be less than the amount shown on the Utilization Certification.
2. A list of all firms who submitted a bid or quote in an attempt to participate in this contract whether they were successful or not. Include the following information:

- Correct business name, federal employer identification number (optional), and mailing address.

The contract will be forwarded to you under separate cover. The contract must be signed and returned in accordance with the mailing instructions furnished with the contract documents. Please return these documents within _____ calendar days after the date of award.

   Very truly yours,

    — local agency —
