

WA-RD Report 522.1, *Prediction of Soil Reinforcement Loads in Mechanically Stabilized Earth Walls*, has been superseded by WA-RD Report 522.2, *Prediction of Reinforcement Loads in Reinforced Soil Walls*.

The newer report with the most current research can be found here:  
<http://www.wsdot.wa.gov/research/reports/fullreports/522.2.pdf>

If you need to see the older, outdated research, that report can be found here:  
[http://www.wsdot.wa.gov/research/reports/fullreports/522.1\\_outdated.pdf](http://www.wsdot.wa.gov/research/reports/fullreports/522.1_outdated.pdf)
