

I-5, Chamber Way project - Pedestrian detour

To keep two lanes of traffic flowing during construction on the Chamber Way bridge over I-5, crews will remove sidewalks and narrow the lanes.

Pedestrians should follow a signed detour using local roads to travel around the work zone.

Directions

From the west side of I-5, travel south on Louisiana Ave. Turn left on West Street and cross over I-5. Turn left on State Ave.

From the east side of I-5, travel south on State Ave. Turn right on West Street, cross over I-5 and head north on Louisiana Ave.
