THE HYBRID VEHICLE AND ALTERNATIVE FUEL REPORT
March 1, 2018

The fine print: This report is a carefully curated selection of articles appearing in popular, business, and technical media referring to the impact of fuel costs and fuel efficiency on vehicle technology, development, and markets. Some articles may require free registration or paid subscriptions to view. The Hybrid Vehicle and Alternative Fuel Report (ISSN: 1946-1011) is compiled and edited by Michel Wendt (hereinafter referred to as "The Editor"). Research and Library Services, Washington State Department of Transportation. Contact The Hybrid Vehicle and Alternative Fuel Report’s editor at wendtm@wsdot.wa.gov or (360) 705-7710.

Contributions of news items, original articles, cookies, and positive comments about The Report are welcome.
