

Join Feet First, Washington's organization dedicated to walkable communities, for the 2016 [WALKABLE WASHINGTON & AWARDS SYMPOSIUM 2016](#) - Collaborate. Innovate. Celebrate.

Bellevue City Hall Tuesday, June 7, 2016 | 9 am – 4 pm AICP Credits 3.5

The [Walkable Washington Symposium & Awards](#) will showcase outstanding projects promoting walking, and provide communities with knowledge to create safe, inviting, and walkable places for everyone. Over 150 leaders, planners, engineers, educators, and advocates will attend this event to learn, be energized and inspired. Keynote Speaker: [ERIC SHARNHORST](#), designer of the people-powered Walk Score, will unveil a new tool that assesses how many jobs are connected by walking and public transit. We'll celebrate 20 projects from the [Feet First 2016 Case Study library](#) and of the case studies represented we will recognize three outstanding projects with the prestigious Innovation Award. If you have a project you would like to share, you are invited to join our [Walkable Washington Poster Exhibition](#).

[Registration](#) for the Walkable Washington Symposium 2016 is currently open: www.strangertickets.com/events/31187209/walkable-washington-symposium-amp-awards-collaborate-innovate-celebrate.
