8:30 am – 3:30 pm
Coeur d'Alene Casino &
Conference Center
37914 South Nukwalqw
Worley, ID 83876

National Safety Council's Defensive Driving Course

The National Safety Council strives to ensure that people get what they need to drive defensively—knowledge, skills, and perspective that will help them continue to prevent injuries and save lives on our roads.

This 6-hour course helps develop accident avoidance behavior and safe driving practices, which can significantly reduce the number of collisions and citations your drivers might experience.

This course is excellent for employees driving tribal, county or state vehicles, transit drivers, law enforcement and first responders.

Certificates will be issued which may qualify you for a reduction on your automobile insurance premium!

\$25
