

# Program Costs and Funding

## How much does the program cost?

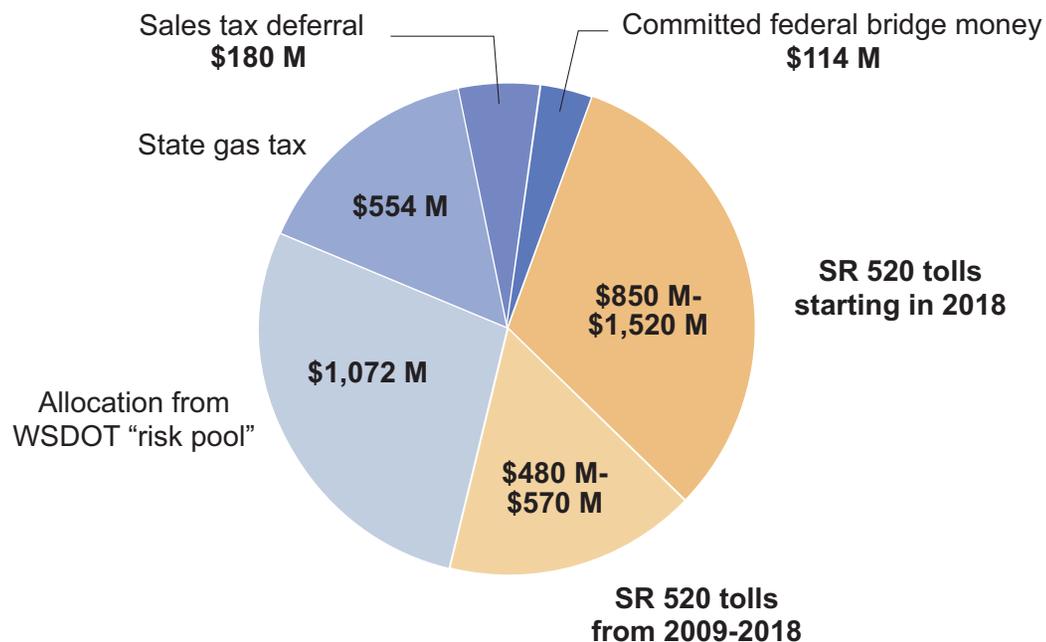

2006 cost estimate:	\$4.38 billion
Estimated savings:	\$500 - \$700 million*
<b>New projected cost:</b>	<b>\$3.7 - \$3.9 billion</b>

\*Savings are due to accelerating project schedule and reducing the number of pontoons.

## How will we pay for the program?

WSDOT submitted a project finance plan in 2007. The plan identified the following funding sources.

**State Route 520 Bridge Financing \***  
 Estimated program cost: \$3.7 billion-3.9 billion

\* Estimate from 2007 SR 520 finance plan.
