

SR 520 BRIDGE REPLACEMENT AND HOV PROGRAM

Navigation changes on Lake Washington at SR 520

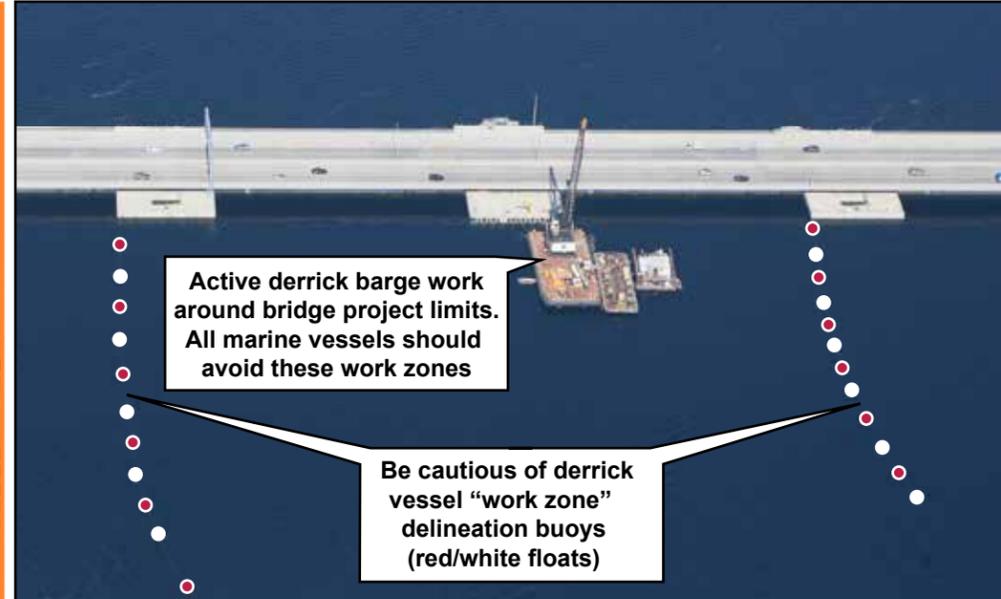

UPDATE: West navigation channel closed to boaters through Wednesday, March 8, 2017

A West navigation channel

The west navigation channel will be closed to boaters through March 8, 2017, to allow crews to complete decommissioning activities.

B Floating bridge

Avoid work zones north and south of the floating bridge as indicated by red and white buoys.

C East navigation channel

While the west navigation channel is closed, the east navigation channel will be open to boaters.
