

Existing 80th-Percentile Highway Travel Times — PM Peak Hour

- NOTES:**
1. For transit, Downtown Seattle is University Street Station.
 2. BRT and LRT travel times are for representative projects.
 3. Transit travel times do not include wait times and station access times. Highway travel times do not include arterial travel times, except for Ballard and West Seattle.
 4. Off-peak direction travel times for locations outside of Seattle are not shown because they typically experience light to moderate PM peak congestion.
