Location of proposed Roadside Vegetation, if not adjacent to address listed above:

Public Land Survey System (PLSS):  
 \_\_\_\_\_ ¼ of the \_\_\_\_\_ ¼ of Section \_\_\_\_\_, Township \_\_\_\_\_ N, Range \_\_\_\_\_ E W

Describe the proposed Roadside Vegetation work being requested, hereinafter the "Work." The description of the Work shall include, but not be limited to, the approximate size of the Work area, the new vegetation to be planted, any grading, removal, or alteration of existing vegetation, and/or whether an irrigation system is being proposed:

Additional information to help process the permit:

Does the Work require none, limited, or continuous ongoing plant establishment and vegetation maintenance?  
 No ongoing plant establishment and/or vegetation maintenance is needed.  
 Limited plant establishment and/or vegetation maintenance is needed for \_\_\_\_\_ years.

Will the Work require an irrigation system?      Yes      No

Note: If an irrigation system is needed, the applicant shall be billed for the water and electrical costs used. See Section 21 of General Provisions.

The applicant acknowledges any Work installed on state-owned highway right of way will become the property of the State of Washington, and the Department shall have no responsibility or liability for ongoing maintenance, repair, or replacement of any of the Work, unless specified otherwise in the Permit. The applicant also acknowledges the Department may remove, or require the removal of, any Work installed on state-owned highway right of way if the Department deems that the Work is not in the best interests of the State. By signing below, the applicant requests the Department to begin processing this Roadside Vegetation Permit.
