

Please complete this request form and e-mail, mail or fax to the address shown below. In order to ensure efficient service, please provide as much information as you can. In most cases we respond on a first come – first served basis, the WSDOT Crash Data and Reporting Branch averages a 10 day turnaround time.

WSDOT Public Disclosure Retention Policy is to maintain the most current 15 calendar years of crash data plus the available current year.

Federal highway safety laws require the state to create this crash database for use in obtaining federal safety improvement funds. Under Section 409 of Title 23 of the United States Code, crash data is prohibited from use in any litigation against state, tribal or local government that involves the location(s) mentioned in the crash data.

By checking the box below, you agree to comply with these terms – failure to do so will be grounds for denying your request.

I hereby affirm that I am not requesting this crash data for use in any current, pending or future litigation against state, tribal or local government involving a crash at the location(s) mentioned in the data.
