The Washington State Department of Transportation Aviation Division's Adopt-an-Airport Program provides an opportunity for volunteers to donate their time and enhance Washington's state airports. Participants are advised that working adjacent to or on a state airport can be hazardous and shall exercise due care in performing any activities. Participants must receive safety training utilizing training aids furnished by the Aviation Division prior to participating in any maintenance activities. Participants shall wear the vest furnished by the Aviation Division and appropriate protective clothing during maintenance activities. Participants are entitled to receive full coverage for medical treatment necessitated by an injury incurred during participation in the Adopt-an-Airport Program under the Medical Aid Provisions of the Worker's Compensation Act, which is administered by the Department of Labor and Industries, but not for loss of time due to injury or illness, or for lasting disability or death. By signature below I verify that I am a volunteer, 15 years of age or older, have attended a safety briefing conducted by the Aviation Division. I also understand the rights, responsibilities, and privileges of participation in the Adopt-an-Airport Program, and agree to hold harmless the Washington State Department of Transportation and its employees from liability for damages or injury resulting from my participation in this program.
