Americans with Disabilities Act (ADA) Information

Materials can be made available in an alternate format by emailing the WSDOT Diversity/ADA Compliance Team at wsdotada@wsdot.wa.gov or by calling toll free, 855-362-4ADA (4232). Persons who are deaf or hard of hearing may make a request by calling the Washington State Relay at 711.

Title VI Notice to the Public

It is Washington State Department of Transportation (WSDOT) policy to ensure no person shall, on the grounds of race, color, national origin, or sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. Any person who believes his/her Title VI protection has been violated may file a complaint with WSDOT’s Office of Equal Opportunity (OEO). For Title VI complaint forms and advice, please contact OEO’s Title VI Coordinator at 360-705-7082.

To get the latest information on WSDOT publications, sign up for individual email updates at www.wsdot.wa.gov/publications/manuals.

Washington State Department of Transportation
Equipment and Facilities

Foreword

The Washington State Department of Transportation (WSDOT) endeavors to provide safe and economical transportation for departmental personnel in order for them to accomplish official state business in an effective manner.

Proper use and care of the state vehicles provided, coupled with observance of the rules contained in this handbook, will protect the department's public image and ensure efficient and cost-effective operation of WSDOT vehicles.

This manual can be accessed electronically at:
www.wsdot.wa.gov/publications/manuals/m53-55.htm

Proof of Liability Insurance Card

IF YOU ARE EXCHANGING INSURANCE INFORMATION, DETACH THIS SHEET ON THE DOTTED LINE AND PROVIDE THIS PORTION TO THE OTHER PARTY.

Proof of Liability Insurance
Washington State Agency Vehicle
Continual Coverage
(See explanation below)

RCW 46.30.020(3) exempts mandatory liability insurance requirements for the operation of a motor vehicle governed by RCW 46.16.020, which includes any vehicle owned, rented, or leased by the state of Washington. Further, the state of Washington is continually self-insured under RCW 4.92.130 for its tort liabilities that might result from operational negligence of its vehicles.

Questions in this regard may be referred to the State Office of Risk Management in Olympia, Washington at (360) 407-9199.

Direct all vehicle tort liability questions or claims to:

Risk Management
State of Washington
1500 Jefferson
PO Box 41466
Olympia, WA 98504-1466
(360) 407-9199
Vehicle Registration Exemption

RCW 46.16A.180 Registration certificates – Requirements – Penalty – Exception.

(2) It is unlawful for any person to operate or be in possession of a vehicle without carrying a registration certificate for the vehicle. Any person in charge of a vehicle shall, upon demand of any of the local authorities or of any police officer or of any representative of the department, permit an inspection of the vehicle registration certificate. This section does not apply to a vehicle for which registration is not required to be renewed annually and is a publicly owned vehicle marked as required under RCW 46.08.065.

Source: http://apps.leg.wa.gov/rcw/default.aspx?cite=46.16A.180

RCW 46.16A.110 Registration renewal — Exemptions.

(4) An application for a renewal vehicle registration is not required for those vehicles owned, rented, or leased by:

(a) The state of Washington, or by any county, city, town, school district, or other political subdivision of the state of Washington

General Rules

Employees must adhere to the rules outlined below when operating state-provided vehicles.

Persons operating state-provided vehicles on public roadways are emissaries of state government at large. Poor personal conduct and driving habits reflect negatively on all state employees and cannot be tolerated by agency managers. Therefore, it is imperative that all who operate WSDOT-provided vehicles adhere to the instructions and rules reflected in this manual and in the Use of State Provided Motor Vehicles Manual M 53-50. Failure to comply with the rules contained herein, personal use of state-owned vehicles, or violations of traffic safety laws constitute grounds for disciplinary action.

1. State-provided vehicles are to be used only to conduct official state business.
   - Only persons on official state business are authorized to ride in state-provided vehicles.
   - Pets may not be transported in state vehicles.
   - Do not use state-provided vehicles for personal trips.

2. Each person authorized to operate a state-provided vehicle must possess a driver's license that is valid under Washington State laws.

3. State-provided vehicles are to be operated in a safe, professional, courteous, and defensive manner at all times.
   - Obey all traffic laws and regulations at all times.
   - Do not exceed posted speed limits.
   - Operate the vehicle at a safe speed, especially in cases of inclement weather, heavy traffic, or other road hazards. Be especially aware of the hazards of black ice, particularly on bridges and overpasses which tend to freeze before other roads.
   - Maintain a safe distance between vehicles.
   - DO NOT project offensive gestures or body language toward another vehicle or person in any driving situation.

4. Do not drive while under the influence of intoxicating beverages, drugs, or other substances including debilitating prescription drugs.

5. All vehicle occupants must use safety belts.

6. Do not transport any kind of weapon, explosives, or incendiary devices unless such transport is specifically authorized by WSDOT in writing. Vehicle drivers are responsible for ensuring that they are in possession of any licenses, forms, or reports required for transporting such items.
7. Do not transport materials defined as hazardous under environmental laws unless properly authorized to do so. Vehicle drivers are responsible for ensuring that they are in possession of any licenses, forms, or reports required under hazardous materials transport laws.

8. Avoid the use of electronic devices including but not limited to cell phones, tablets, laptop, two-way messaging device and electronic games while operating a state vehicle. In addition, ear phones/buds should not be used while operating a state vehicle to minimize distraction and inability to hear emergency warning.

   a. In accordance with RCW 46.61 and 46.25.010, drivers operating moving motor vehicles are prohibited from using a portable electronic device which includes holding a portable electronic device in either or both hands and using a hand or finger for reading, writing, or sending text messages or data, except to report illegal activity, summon emergency help, or to prevent injury to persons or property. This prohibition does not apply to drivers of authorized emergency vehicles, or drivers using a commercial driver's license who use a personal electronic device within the scope of their job if such use is permitted under 49 U.S.C. Sec. 31136.

9. Smoking or use of a vapor product (including e-cigarettes or vaporizers) are not permitted in state-provided vehicles (see WSDOT Executive Order E 1003).

10. A Daily Trip and Use Log (DOT Form 700-015) must be maintained for all vehicles Class 01 to Class 05, inclusively, as per the Use of State Provided Vehicles Manual M 53-50.

    Class 01: Passenger Carrying Vehicles
    Class 02: Light Cargo Carrying Vans
    Class 03: Incident Response Vehicles
    Class 04: Light Vehicles with Special Bodies or Equipment
    Class 05: Pickup Trucks
Driver Responsibilities

2. All charges for traffic and parking violations, towing, or storage resulting from traffic or parking violations are the responsibility of the vehicle driver.

3. Promptly inform your immediate supervisor of:
   - Citations issued for violation of traffic laws while operating a state vehicle.
   - Suspension, revocation, or other invalidation of driver's license.
   - Medical condition(s) that may impair your ability to operate a state vehicle.

4. Ensure the following items are in each vehicle:
   - Vehicle Accident Report (DES Form SF-137).
   - Appropriate paperwork and logs required for vehicle's purpose.
   - A copy of the State of Washington “Proof of Liability Insurance Washington State Agency Vehicle” card (see page 27). This card is available at des.wa.gov/SiteCollectionDocuments/RiskManagement/proofofins2.pdf.

5. Drivers are responsible for keeping vehicles clean (interior and exterior) and fueled. At the conclusion of a trip, remove trash and personal items and fill the fuel tank if it is less than ¾ full.

6. Perform a before-operations inspection and report vehicle faults to the supervisor or appropriate WSDOT equipment maintenance personnel on an Equipment Operator's Report (DOT Form 530-001) as outlined in the *Transportation Equipment Fund (TEF) Operating Rules Manual* M 3015. Any deficiencies, which affect safe mechanical operation, must be repaired before the equipment is used.

7. Report all mechanical defects to the appropriate TEF repair shop at the earliest possible date. (See TEF points of contact on page 1.)

8. Take reasonable measures to protect the vehicle and its cargo from damage or theft.
   - Unattended vehicles must always be locked.
   - Theft of items from an unlocked vehicle may be the responsibility of the vehicle operator.
9. To reduce fuel consumption, all vehicle operators are required to turn off unoccupied vehicle’s engines unless idling is necessary for specified health, safety, or operational concerns. Refer to fuel conservation and No Idle Policy on the TEF Sustainability website at wwwi.wsdot.wa.gov/maintops/equipment/sustainability.html.

10. WSDOT assumes the responsibility of keeping department-owned vehicles in good running order and making repairs resulting from normal wear. However, charges for vehicle service calls caused by the actions of the vehicle driver may be the responsibility of the driver. Examples include service charges for the deliveries of fuel, retrieval of keys from locked vehicles, jump starting vehicles when the lights have been left on, etc.

11. Ensure that the vehicle has the items necessary to change a flat tire before starting a trip.

12. Promptly report any vehicle accidents or damage.

13. Promptly report misplaced, stolen, or damaged fuel cards to your supervisor.

State Tolled Facility Usage

1. Employees may use fully-tolled facilities when it is deemed to be more cost-effective than to use an alternative route.

2. Using Org managers should establish Good To Go! accounts for state-owned vehicles that use tolled facilities and equip them with a Flex Pass.

3. When operating a state-owned vehicle, employees shall utilize high occupancy toll (HOT) or express toll lanes only when they meet the posted high occupancy vehicle (HOV) requirements and if the vehicle is properly equipped with a Flex Pass set to “HOV.”
   a. Maintenance and Incident Response Team (IRT) vehicles serving on a tolled facility are exempt from tolls or posted HOV requirements only if Good To Go! has been notified in advance of both the vehicle’s pass number and the exempted corridor(s) to which it is specifically assigned.

4. Employees operating privately-owned vehicles (POV) to conduct official state business shall not be reimbursed for the use of HOT or express toll lanes.

For more information go to the Secretary’s Executive Order E 1046, Tolled Facility Usage.
Service and Repairs

A TEF vehicle repair facility is located at every WSDOT regional and area headquarters. TEF vehicle repair facilities operating hours are generally 6:30 a.m. until 4:00 p.m., Monday through Friday.

For 24-hour emergency assistance, contact the Regional Traffic Management Center. Regional Equipment Superintendents and Traffic Management Centers phones numbers are reflected on Page 1.

1. Vehicles and equipment shall be periodically serviced in accordance with the TEF Operating Rules Manual M 3015 or the manufacturer's manual or recommendations.

2. Non-emergency vehicle and equipment repairs will be accomplished at TEF repair facilities, unless explicit permission to use a commercial facility is granted by the appropriate Regional Equipment Superintendent.

3. Emergency repairs occurring after WSDOT normal work hours may be accomplished at commercial facilities, without explicit permission from the Equipment Superintendent. An emergency is defined as an occurring malfunction that makes the vehicle non-operational or places the vehicle in imminent danger of becoming non-operational.
   a. Drivers must inform the appropriate Regional Equipment Superintendent, at the earliest possible date, of repairs accomplished at a commercial facility.
   b. Services or repairs accomplished at commercial facilities and determined by the Equipment Superintendent to be non-emergency, may be charged back to the employee’s organization.

4. Only temporary emergency repairs are permitted on vehicles by other than qualified mechanics.

5. Do not drive a vehicle with mechanical deficiencies until cleared by a mechanic. If a deficiency occurs during operation: stop, protect the vehicle, and get help. Do not continue to drive.

6. Vehicles or equipment will not be serviced, fueled, or repaired while the engine is running except if it is necessary for certain adjustments which can be made only when the engine is running.
Fuel Cards

1. All fuel consuming vehicles and equipment in the TEF inventory are provided a WSDOT fuel card. Additionally, organization managers may request a commercial fuel credit card for vehicles used by their organization. The security of the fuel cards are the responsibility of the organization manager and vehicle driver.

2. Fuel credit cards will not be left in a vehicle unattended at anytime. When fuel credit cards are not required for use, they will be kept in a secured location.

3. Fuel cards may be used to fuel WSDOT-owned vehicles or equipment the card is assigned to only. In emergency situations, the fuel credit cards may be used for engine oil, lubricants, and towing to the nearest WSDOT facility.

4. WSDOT fuel stations and wash facilities or accounts are to be given priority over commercial sites.

5. For passenger carrying (Class 01) vehicles, TEF will be responsible for one basic car wash per month, if required and when WSDOT wash facilities are not available. All charges over a basic car wash are the responsibility of the using organization.

6. If emergency towing is required, contact Regional Traffic Management Center (see contact numbers on page 1) for assistance. With supervisor approval, emergency towing can be arranged through a commercial vendor if WSDOT is unable to perform the towing due to occurrence during non-duty hours or location.

7. Fuel cards may not be used to purchase premium fuel, food, drink, or personal items or to detail vehicles.

8. Retain receipts for all purchases made with a fuel card. All employees are responsible to account for purchases made with a fuel card. Ensure that the equipment number and/or license number of the vehicle fueled is noted on the receipt. If a miscellaneous charge is made, ensure that the receipt describes the miscellaneous charge (e.g., oil, wash). Unauthorized purchases charged on fuel credit cards will be billed back to the employee’s organization. With the Region Transportation Officer’s approval, a log may be kept as an alternative to retaining receipts for fuel purchases only.
9. In the event that a valid WSDOT fuel card fails to activate a WSDOT automated dispensing pump, contact TEF staff to request assistance. If assistance is unavailable, a fuel credit card may be used at a commercial location.

10. Replacement of lost, stolen, or broken fuel cards may be accomplished by contacting your Regional Equipment Superintendent's Office. Request a replacement card at the earliest possible date.

11. Other agencies may use WSDOT fuel facilities if a customer account is properly established and WSDOT fuel cards are issued. For information on the procedures of establishing an account, contact:

   TEF  
   PO Box 47357  
   Olympia, WA 98504-7357  
   Phone: 360-705-7896  
   Fax: 360-705-6829

12. Maps showing the locations of WSDOT fuel stations including all WSP fuel stations assimilated by WSDOT are found in this manual. WSDOT fuel cards can be used at any WSDOT or WSDOT/WSP fuel facility.
Accident Reporting

Roadway Accident

This section applies to both third-party and non-third party accidents occurring on the roadway.

At the Scene

1. If you are injured or have the slightest amount of pain or discomfort, seek medical attention immediately. Seek assistance and/or call 911 for police or emergency services.

2. If you are not injured, assess the scene for hazards. Do not leave the scene. Take all measures necessary to preserve the scene for investigation and mitigate assessed hazards if trained to do so (e.g., making sure not to disturb evidence, surround collision area with biohazard tape if blood is present).

3. Cooperate with law enforcement officers. Provide factual information, limiting responses to questions asked.

4. Do not discuss the situation with parties other than law enforcement.

5. Do not admit fault or make any statements about the state's response to the accident, financial or otherwise. Provide factual information about yourself and the state vehicle to the other driver(s), such as name, agency, phone number, vehicle information, etc. Gather the same type of information from the other parties and witnesses.

6. Sketch a diagram of the accident scene, showing the travel path and contact points of all vehicles involved. Details of the accident will fade quickly, so make this sketch as soon as possible after the accident. If possible, take photographs of the accident scene and vehicle damage.

7. Notify/report the accident to your supervisor/manager and complete all appropriate documentation within twenty-four (24) hours or the next schedule workday. Documentation includes:
   - Vehicle Accident Report (DES Form SF-137). A copy should be located in the vehicle's accident packet.
   - Enter accident information into the Safety Inspection and Incident Reporting System (SIIRS) using a link on the WSDOT Safety homepage: SIIRS Homepage "Live Site". SIIRS includes completing the Vehicle Accident Report (DES Form SF-137) online.
Non-Roadway Accident

This section applies to accidents that occur at WSDOT facilities, offices, yards, or like locations. This section does not apply to third-party accidents.

At the Scene

1. If you are injured or have the slightest amount of pain or discomfort, seek medical or first aid attention immediately. Contact the appropriate emergency responders at 911 or 9-911.
2. If you are not injured, assess the scene for hazards and mitigate assessed hazards if trained to do so.
3. Notify/report the accident to your supervisor/manager and complete all appropriate documentation as detailed below.
4. Together with your supervisor/manager, Safety Office staff, and other appropriate personnel, investigate the accident in a manner that would prevent the accident from happening again.

After the Accident

1. Within two working days, report the accident in the Safety Inspection and Incident Reporting System (SIIRS) using a link on the WSDOT Safety home page: SIIRS Homepage “Live Site” If you require assistance:
   • Refer to the Safety Inspection and Incident Reporting System (SIIRS) User’s Manual
   • Call the SIIRS reporting hotline: 1-844-455-SAFE (7233) or 360-705-7793 (PBX 7793).
2. Accident related inquires from third-party persons are to be directed to the Enterprise Risk Management Division at 1-800-737-0615 or 360-704-6355.
3. Obtain all necessary or required training as detailed in Chapter 13, Use of State Provided Motor Vehicles M 53-50.
4. Complete the State of Washington Vehicle Collision Report if any injuries are sustained as a result of the accident or if damages to vehicles/property exceed $1,000. This form is available at any local law enforcement office, or can be found on the Washington State Patrol’s website at: www.wsp.wa.gov/publications/collision.htm#citz.
   Note: The Vehicle Collision Report does not need to be completed by personnel if the form is completed by law enforcement.
Fuel Stations

Aberdeen

4801 Olympic Highway
US-12, MP 3.85

Site Hours: 24 hours/7 days per week
Fuel Available: Gas and Biodiesel

Directions:

Northbound
- From I-5 N, merge on to US-12 W via Exit 88B toward ABERDEEN.
- Merge LEFT on to US-12 W via the ramp.
- Continue on US-12 W.
- Look for MP 3.85 and BOBBY JOHNSON LANE.

Southbound
- From I-5 S, merge on to US-101 N via Exit 104 toward ABERDEEN/PORT ANGELES.
- Take SR 8 W toward MONTESANO/ABERDEEN.
- SR 8 W becomes US-12 W.
- Continue on US-12 W.
- Look for MP 3.85 and BOBBY JOHNSON LANE.
Alder

50025 Mountain Highway East
SR 7, MP 22

Site Hours: M-Th  6:30 am – 5:00 pm
Fuel Available: Biodiesel

Directions:

Northbound
- From US-12 at MORTON, turn LEFT on to 2nd STREET/SR 7.
- WA/2nd STREET becomes SR 7/MORTON ROAD.
- Continue to follow SR 7 on to SR 7/MOUNTAIN HWY toward ALDER LAKE/PUYALLUP.
- Look for MP 22.

Southbound
- From I-5 N, merge on to SR 512 E via Exit 127 toward PUYALLUP/MT. RAINIER.
- Take the SR 7/PACIFIC AVENUE Exit toward PARKLAND/SPANAWAY.
- Turn RIGHT on to PACIFIC AVENUE S/SR 7 S.
- Bear LEFT at MOUNTAIN HWY E/SR 7 S.
- Continue to follow SR 7 S toward ALDER LAKE.
- Look for MP 22.
Amanda Park

6387 US Highway 101
US-101, MP 128.63

Site Hours: M-F 6:30 am – 5:00 pm

Fuel Available: Biodiesel

Directions:

Northbound/Southbound

- Travel on US-101 (North of ABERDEEN) toward the QUINAULT INDIAN RESERVATION/QUINAULT LAKE/AMANDA PARK.
- Approaching N SHORE ROAD, look for MP 128.63.
Anatone

Junction SR 129 and Mill Road
SR 129, MP 17.35, West Side

Site Hours: 24 hours/7 days per week
Fuel Available: Biodiesel

Directions:

Northbound/Southbound
- Travel on SR 129 toward the SE corner of Washington State.
- On the South Side of ANATONE, look for MP 17.35/MILL ROAD.
Arlington
521 South Olympic Place

Site Hours: Locked unless crew is present
Fuel Available: Biodiesel

Directions:

Northbound/Southbound
- From I-5 N, take the SR 530 Exit 208 toward SILVANA/ARLINGTON.
- Turn RIGHT on to SR 530.
- Turn RIGHT on to HAZEL ST/SR 9.
- Turn LEFT on to E HIGHLAND DRIVE.
- Turn RIGHT on to S OLYMPIC AVENUE.
Auburn (Geneva)  
3722 South 344<sup>th</sup> Street

Site Hours:  
Locked

Fuel Available:  
Biodiesel

Directions:

Northbound/Southbound
- From I-5 N, merge on to SR 18 E. Exit 142A toward AUBURN/NORTH BEND.
- Take the WEGHRAEUSER WAY S Exit.
- Bear RIGHT on to WEGHRAEUSER WAY S/32<sup>nd</sup> AVENUE S.
- Turn LEFT on to S 344<sup>th</sup> WAY/S 344<sup>th</sup> STREET.
Bellevue (Northrup)  10833 Northup Way Northeast

Site Hours:  M-F  6:00 am – 4:30 pm
Fuel Available:  Gas and Biodiesel

Directions:

Northbound
- From I-5 N, take I-405 N Exit 154 toward RENTON/BELLEVUE.
- Merge on to SR 520 W via Exit 14.
- Take the 108th AVENUE NE Exit.
- Turn RIGHT on to 108th AVENUE NE.
- Turn RIGHT on to NORTHPUP WAY.

Southbound
- From I-5 S, take I-405 S Exit 182 toward BELLEVUE/RENTON.
- Merge on to SR 520 W via Exit 14.
- Take the 108th AVENUE NE Exit.
- Turn RIGHT on to 108th AVENUE NE.
- Turn RIGHT on to NORTHPUP WAY.
Site Hours: 24 hours/7 days per week

Fuel Available: Gas

Directions:

**Eastbound/Westbound**
- From I-90, take the 150th AVENUE SE Exit 11A toward 156th AVENUE SE.
- Take the 150th AVENUE SE Ramp toward SE 35th STREET.
- Turn LEFT on to 150th AVENUE SE.
- Bear RIGHT on to SE EAST GATE WAY.
- Turn LEFT on to 156th AVENUE SE.
Site Hours: 24 hours/7 days per week

Fuel Available: Gas and Biodiesel

Directions:

Northbound/Southbound
- From I-5, take the BAKERVIE ROAD Exit 258 toward BELLINGHAM INT’L AIRPORT.
- Turn on to BAKERVIE ROAD W.
- BAKERVIE ROAD becomes AIRPORT DRIVE.
- Turn RIGHT on to AIRPORT WAY.
Bingen

6606 Highway 14
SR 14, MP 65.9, South Side

Site Hours: M-F 6:30 am – 5:00 pm
Fuel Available: Gas and Biodiesel

Directions:

**Eastbound/Westbound**

- Travel I-84 toward along the **COLUMBIA RIVER GORGE**.
- Approaching **HOOD RIVER**, take Exit 64 to MT. HOOD HWY (OR-35)/WHITE SALMON/GOVERNMENT CAMP.
- Turn LEFT and cross the **HOOD RIVER BRIDGE**.
- Turn RIGHT at **SR 14/W STEUBEN STREET**.
- Site located at junction of **SR 14** and **CHARTERS ROAD**.
Site Hours: 24 hours/7 days per week

Fuel Available: Gas and Biodiesel

Directions:

**Eastbound**
- From I-90 E, take the WENATCHEE Exit 85.
- Go East on SR 970 for 11.9 miles to US-97.
- Follow US-97 N toward LEAVENWORTH/WENATCHEE.
- Look for MP 178.2, West Side.

**Westbound**
- From I-90 W at ELLENSBURG, take Exit 106 toward US-97/LEAVENWORTH/WENATCHEE.
- Follow US-97 N toward LEAVENWORTH/WENATCHEE.
- Look for MP 178.2, West Side.
Site Hours: 24 hours/7 days per week
Fuel Available: Gas
Directions:

Northbound
- From I-5 N, take the S 38 STREET Exit 132 toward GIG HARBOR/SR 16/BREMERTON.
- Merge on to SR 16 W toward BREMERTON/SPRAGUE AVENUE.
- SR 16 W becomes SR 3 N.
- Take the LOXIE EAGANS BOULEVARD Exit toward AUTO CENTER WAY.
- Turn LEFT on to W LOXIE EAGANS BOULEVARD.
- W LOXIE EAGANS BOULEVARD becomes W WERNER ROAD.
Brewster
97 Brewster Grange Road
US-97, MP 259.1

Site Hours: M-Th 7:00 am – 4:30 pm
Fuel Available: Biodiesel

Directions:

Northbound

- Travel North from CHELAN on US-97 toward BREWSTER/OKANOGAN.
- Approaching BREWSTER, look for MP 259.1.
- Site located on Northeast corner of intersection of BREWSTER GRANGE ROAD and US-97.
- Traveling on SR 17 N, North of BRIDGEPORT, toward BREWSTER/OKANOGAN.
- Turn LEFT at US-97 toward BREWSTER.
- Traveling through BREWSTER, look for MP 259.1.
- Site located on Northeast corner of intersection of BREWSTER GRANGE ROAD and US-97.
Bullfrog (Cle Elum)

151 Bullfrog Road South
I-90, Exit 80

Site Hours:
Summer: 6:30 am – 5:00 pm
Winter: 24 hours/7 days per week

Fuel Available: Gas and Biodiesel

Directions:

Northbound/Southbound
- From I-90 near CLE ELUM, take Exit 80 toward ROSLYN/SALMON LA SAC.
- Turn RIGHT on to BULLFROG ROAD.
Burlington WSP
10945 Chuckanut Drive

Site Hours: 24 hours/7 days per week
Fuel Available: Gas
Directions:

Northbound/Southbound
• From I-5, take the SR 11 N/CHUCKANUT DRIVE Exit 231 toward BOW-EDISON.
• Turn RIGHT on to CHUCKANUT DRIVE/SR 11.
Cathlamet

Fuel Site: M-Th 6:00 am – 4:30 pm
Fuel Available: Biodiesel

Directions:

Northbound
- From I-5 N, take the SR 432 W Exit 36 to LONGVIEW/SR 4/LONG BEACH.
- SR 432 W becomes TENNANT WAY.
- SR 432 W/TENNANT WAY becomes SR 432 W/NICHOLS BOULEVARD.
- Turn LEFT at OCEAN BEACH HWY/SR 4.
- Continue on E OCEAN BEACH HWY/SR 4.
