

WA-RD Report 528.1, *Application of the K sub 0-Stiffness Method to Reinforced Soil Wall Limit States Design*, has been superseded by the WSDOT *Geotechnical Design Manual*.

The WSDOT *Geotechnical Design Manual* can be found here:

<http://www.wsdot.wa.gov/Publications/Manuals/M46-03.htm>

If you need to see the older, outdated research, that report can be found here:

http://www.wsdot.wa.gov/research/reports/fullreports/528.1_outdated.pdf
